Summer Fair

Thank you to all those parents and families who supported our annual summer fair. It was a glorious day and had a great atmosphere. We raised over £1,200!!! This will be put towards purchasing resources in order to ensure our curriculum remains engaging and inspiring for the children.

Resident Complaints

We are having a lot of complaints from local residents who live around the school about parents parking across their driveways. Please can you consider the residents when dropping off and picking up your child from school. We have also been informed by some residents that parents are allowing their children to run across their lawns and complaints of dogs barking outside the school gates. I understand this message is not aimed at the vast majority of parents who are respectful to the local residents. Thank you for your co-operation.

School Updates

This final half term of the year is one of our busiest with many events and meetings taking place. Please keep yourself updated with what is happening in school via the calendar on the school's website. This calendar is updated every few days. If you have any queries, please call the school office.

We have been notified by Bolton Council that the price of paid school meals (Nursery & KS2) from September is increasing to £1.70 per day/ £8.50 per week. This is still heavily subsidised by council.

A new Scopay app is now available to pay for school trips and snack. Visit the app store, type in Scopay and download to make faster payments!

Eatock's Got Talent

Thank you to all the parents and families who came along and supported the Eatock's Got Talent show. The children who performed were excellent and provided great entertainment for the audience. This event had been requested by the school council and it was fabulous that it was so very well supported. Well done to the winners and thank you to all the children who entered and shared their fabulous talents with the audience.

School Reports and end of year teacher meeting

We will be sending your child's school report home on Friday 12th July. We will be holding a parents' drop-in session from 3.30pm-4.30pm should you wish to discuss your child's report.

Summer Care Club

The Care Club will be open for duration of the summer holidays. If you are interested in your child attending the Care Club during the holidays, please pop in and see Mrs Barlow (Care Club Manager).
